VOTE FOR ED CARLISLE ON JUNE 8TH

People everywhere are fed up with the same-old politics. Whoever you vote for, you get the same result – right?

That's why I got into politics. I've lived, worked and volunteered in south and central Leeds over the past 15 years, I love this city – and I passionately believe that if we pull together, we can create a different future for ourselves.

ED WILL FIGHT FOR:

#FAIRECONOMY

- ✓ An end to unfair zero-hours contracts, that don't give the security we all need.
- ✓ A strong modern tax system that makes sure big business pay their fair share.

#LOCALPOWER

- ✓ More power out of Westminster, into our region and our communities.
- ✓ A fairer voting system, so everyone's voices get heard more equally.

#GOODSOCIETY

- ✓ Public NHS and transport, that put people before profit.
- ✓ Good local schools that prepare our young people for life – not just exams.

#SAFECLIMATE

- ✓ Real action on air pollution and flooding, and stand up against fracking.
- ✓ A green industrial revolution, to create 10,000s of new jobs.
